

# FINAL GRADES

1. Go to <https://rain.gsw.edu/>
2. Choose secured login from the drop down box.

3. Log in to RAIN with your User ID and PIN.
4. Choose Faculty Services, Final Grades, select the Term, and select the CRN.
5. Enter a grade for each student on the Final Grade Worksheet. In the instances where the student has earned a “F” grade because he/she has stopped attending, but never officially withdrew from the course, enter a date of last attendance in addition to the “F” grade. A student who earned a grade of F and took the final exam should be issued the date of the last regular day of class. The system will not accept the date of the final exam because it is after the last day of class.
