

LTCM 4001  
Internship Reflections

Each internship reflection MUST include the following:

- Student Name
- Date of Experience
- Number of Hours Completed
- Total Number of Hours Completed to Date

Please write a 2-3 paragraph reflection on your internship experience and address the following:

1. Describe the activities of the day in which you were involved and how this experience related to Long Term Care situations.
2. What personal strengths and weaknesses have you identified during the internship experience and how do you plan to address your identified weaknesses.
3. Address the following if applicable:
  - a. Describe how you applied your knowledge of cultural sensitivity to a situation, if applicable.
  - b. Describe how you engaged with a family in long term care planning, if applicable.
  - c. Identify and share about the most interesting experience during the current day internship hours.
